

Fullbrook Nursery School

News Sheet 3 - 7th November 2018

Please help us to keep you and your child safe when you are entering and exiting the site, in order to do this we ask that;

-  Once your child's teacher has handed them over to you keep hold of their hand as it is so easy to get lost in the crowd,
-  Ensure that you close the gate behind you as you enter or exit the site, if your child did slip away from you this is the last barrier between them and the main road.
-  Do not enter the staff carpark by car or foot,
-  Outside nursery, **please park respectfully** of other road users, pedestrians and local residents. Some parents are struggling to get pushchairs through, when cars are parked half on the pavement. Also, please respect the yellow line markings.
-  Please do not use mobile phones inside Nursery or Little Explorers

Thank you for helping keeping us safe

SEVERE WEATHER NOTICE

In case of severe weather during the coming months can you please listen to one of the following local radio stations:

BEACON FM (97.2FM), BBC RADIO WM (96.6 FM), HEART FM (100.7 FM), BRMB (96.4 FM).

If the school is to be closed we will endeavour to get a message broadcast on their Snowlines and message you through the Marvellous Me App.

Please also check our website for any updates, www.fullbrook.walsall.sch.uk.

As most of the staff have to travel some distance to school there may be a problem with us opening on time. If you have heard nothing on the radio or received a message, you can ring the school before setting out to check what the situation is for receiving children, but please do not arrive before 9.30 so as to allow for staff to arrive.
